**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are customers of Gorge.Net a competitive communications company whose services make a real COMPETITIVE different in its service area. This has been a innovative provider, and its services have contributed importantly to personal and business use of miscommunications for this semi-rural area straddling Washington and Oregon.

The action under consideration threatens to raise prices and reduce quality and quantity of broadband service and should not be taken.
